

SCENA ERASMUS

Call to action

Are you an incoming Erasmus student at the University of Catania
or else a student enrolled at UNICT?

Would you like to take part in an international drama workshop?

If so, answer the call to take part in the SCENA ERASMUS!

The University of Catania is a joint partner in ***Erasmus Europe on Scene Network***, led by the University of Valencia together with the universities of Marburg (Germany), Padua and Cagliari in Italy, Pamplona (Spain), Lodz (Poland), Sofia (Bulgaria).

The project aims to:

- create an international acting company for students as an integral part of the network design;
- provide opportunities for cultural exchange among students from different cultural backgrounds;
- help Erasmus students from abroad to learn Italian.

The call is open to incoming Erasmus students throughout the second term 2025-2026 (February-May) and to local students. SCENA Erasmus acting company will be made up of 70% of incoming Erasmus students and a 30% of local students, for a maximum of **20 people**.

This number will be increased by students, researchers, and EUNICE staff who request it and are present in Catania on mobility.

If the number of applications exceeds the number of places available, the greatest possible geographical diversification shall be the criterion by which the selection will be made, along with gender balance and the highest representativeness of studies' area.

The workshop will take place according to the following **schedule: every Wednesday** from 4th March **until May 2025**, from 7:00 to 9:00 p.m., at the University Theatre Center (CUT) located at Piazza Università, 13 in Catania.

At the end of the workshop activities, directed by young actresses and actors, a public performance will be staged. Participation is entirely free and no previous drama experience is required.

To apply, please fill out the form at this link:
