

# Requisiti di accesso candidati con titolo di studio internazionale ai corsi di Laurea Magistrale

Aggiornamento del 07/01/2026 e valido per l'a.a. 26-27.

L'accesso ai corsi di Laurea Magistrale è subordinato all'idoneità del diploma di Laurea di primo livello ai sensi della disciplina vigente in materia di titoli che consentono l'accesso agli studi universitari.

Si ricorda che, ai sensi della normativa i titoli di studio conseguiti all'estero consentono l'accesso ai corsi di laurea magistrale presso un'università italiana solo se soddisfano tutti i seguenti requisiti:

- sono rilasciati da Università ufficiali nel sistema di istruzione di quel paese straniero;
- consentono allo studente di immatricolarsi a corsi di laurea magistrale nel Paese estero che li ha rilasciati;
- sono stati conseguiti al termine di un corso di laurea di primo livello della durata di almeno 3 anni accademici.

I titoli valutati come "lauree professionali" dalle autorità competenti non possono essere considerati idonei per l'accesso alle lauree magistrali.

L'ammissione non comporta una verifica della validità del titolo, che verrà effettuata solo in fase di immatricolazione.

Si ricorda agli studenti in possesso di titolo estero che l'attestato finale del titolo conseguito deve essere accompagnato da uno dei seguenti documenti:

- Attestato di Verifica e Comparabilità del titolo rilasciato dal CIMEA [www.cimea.it](http://www.cimea.it) ;
- Dichiarazione di valore del titolo rilasciata dalla competente rappresentanza diplomatica italiana nel paese in cui il titolo è stato conseguito.

Si ricorda inoltre che ai fini dell'immatricolazione verrà preso in considerazione l'intero percorso di studi e sarà quindi necessario consegnare oltre alla documentazione relativa al titolo di Bachelor anche la documentazione di studio relativa al Diploma di scuola Superiore.

**ATTENZIONE:** Le seguenti informazioni sono solo indicative e non esaustive: gli studenti il cui paese di provenienza non è presente nell'elenco possono comunque inviare la propria candidatura.

## Specific entry requirements for students with an international qualification to Master Degree Courses

Updated on 07/01/2026 and valid for A.Y. 26/27

Access to Master's Degree courses is subject to the eligibility of the Bachelor's Degree diploma in accordance with current legislation on qualifications that allow access to university studies.

It should be borne in mind that pursuant to the Italian legislation qualifications awarded abroad grant access to master's degree programs in an Italian university only if they comply with all the following requirements:

- have been awarded by an official university in the foreign country's education system;
- entitle the student to enroll in graduate programs in the foreign country that awarded the title;
- have been awarded on completion of a bachelor's degree program lasting at least 3 academic years.

Qualifications evaluated as "professional degrees" by the relevant authorities cannot be considered eligible for access to Master's Degrees.

Admission does not imply a verification of the validity of the qualification, which will be performed only in phase of enrollment.

Students in possession of a foreign qualification are reminded that the final certificate of the qualification obtained must be accompanied by one of the following documents:

- Statement of Verification and Comparability issued by CIMEA [www.cimea.it](http://www.cimea.it)
- Declaration of Value (*dichiarazione di valore*) released by the Italian diplomatic or consular authorities in the country whose education system awarded the qualification.

It should also be borne in mind that for the purposes of enrollment the entire study path will be taken into consideration and it will, therefore, be necessary to deliver, in addition to the documentation relating to the Bachelor's degree, also the study documentation relating to the High School Diploma.
