Q&A

- 1. Can we send the required documents to a CAF from our home country and receive the ISEE remotely?* For making a request for ISEE you need to have a fiscal code (released by the embassy in your country or by Agenzia delle Entrate here in Italy)
- 2. If I miss deadline to submit the documents on time is it possible to get scholarship from 2nd semester? Or I've to miss scholarship for whole year?* No, it is not possible. ERSU is very strict with deadlines and it doesn't depend on University
- 3. Is it necessary to have a valid Italian residence permit (permesso di soggiorno) at the time of application?* No, but then you will need to upload the receipt of residence permit's application
